

MSATS

MOBILE-SITUATIONAL AWARENESS TRAINING SYSTEM

The MILO M-SATS offers the most advanced feature set for portable use of force and tactical judgment training. Based on the same software and technology as the full-featured MILO Range PRO system, the M-SATS provides fully interactive video scenarios, graphics-based firearms drills, and industry-leading features in a compact, all-inclusive design that is easy to transport and set up in less than ten minutes.

Room requirements: 18' X 12' space with one 110v power source.

SYSTEM BENEFITS

With industry-leading features, a full warranty, 24/7 technical support, and an on-site Train the Trainer course, the MILO Range M-SATS will meet any unit's training, budget, and flexibility needs.
