MILO
 LIVE

180th Ohio Air National Guard

Swanton, OH

A 14 lane, 25 Meter rifle rated MCSATS® featuring a centralized control room with angled viewing windows, 14 programmable target retrieval systems, with Milo Live Fire Simulation system. Shooting Range Industries (SRI) modular live fire range solution, the MCSATS®, required only simple Steel plates for placement on top of an concrete footing. The utilities were connected after delivery to become fully functional. Production of the range was completed in 4 months and when delivered, installation and commissioning was accomplished in just 10 days.

Simulation - Yes - 360 degree wireless programmable target retrieval system.

Field Advisor - Jake Cook/Eddie Miranda
